RE: MIDWEST AIRLINES RETIREMENT ACCT PLAN (RAP)

We are contacting you today regarding the retirement savings you've accumulated in your employer's retirement plan. Because your vested account balance is below the minimum amount required to remain in the Plan, a distribution of the account is required at this time. A simple, hassle-free option is an Individual Retirement Account (IRA).

**To take advantage of this opportunity, you don't need to do a thing.** The Plan allows for an automatic rollover to an IRA with Principal Bank\*, a member of the Principal Financial Group®. After October 30, 2011, the retirement funds will roll directly into an IRA so you can:

- Keep the retirement funds growing tax-deferred and working for you.
- Continue saving for retirement by adding funds to your IRA.
- Enjoy these benefits and more for an annual administrative fee of only \$15.

Approximately two weeks after your IRA is set up, you will receive a Welcome Kit. Initially, the retirement funds will be placed in the Money Market Account\*. When you receive your kit you can:

- Review all investment options available to you.
- Determine which options are right for you.
- Confirm the transaction amount.

If you don't wish to have the retirement funds automatically rolled into an IRA, you can elect to take a distribution in cash or request a direct rollover to another IRA or eligible retirement plan. You can submit a distribution request using the Principal Financial Group Web site. However, before making a decision, please refer to the enclosed "Your Rollover Options" for important information about tax withholding and penalties.
